European Hernia Symposium

25–26 September 2015

DAY 1 – FRIDAY 25th SEPTEMBER 2015

Faculty Pre-Symposium Meeting:

We would ask that all Faculty Members join our Co-Chair: Dr. Koch and the Davol EMEA Marketing team in the Symposium Room for a collective brief overview. It is imperative that you attend the pre-symposium meeting to ensure you are familiar with the setup and the interactive technologies that will be utilised during the symposium and also this is final opportunity to ask any final queries you may have.

Date: **Friday, 25th September**

Time: **11:30am**

Location: **Bard Conference Centre – Plenary room
First Floor | Crowne Plaza Hotel**

Apologies for Co-Chair: Prof. Pross all Operating Faculty members - they will not be in attendance as they will already be present at the Hospital at this time in preparation for the live surgeries.

DAY 1 – FRIDAY 25th SEPTEMBER 2015

The Symposium will open at 12:00 noon on Friday 25th September with a buffet lunch in Wilsons Restaurant located on the ground floor of the hotel.

The scientific sessions will follow with a strict start time of 13:00 on the FIRST FLOOR whereby we would ask all Faculty members to be seated at 12:45 to ensure a sharp start time for the programme.

SYMPOSIUM ROOM SETUP:

The Symposium room will be setup in Classroom Style. We want to ensure maximum participation & engagement between the panel and the audience throughout the Symposium and therefore we have allocated reserved seating for each member of the Faculty team to be dispersed throughout the audience. Each reserved seating sign will be personalised to easily identify your allocated seat.

On Day 1 – there will only be a small stage present where the podium will be positioned with the large screen for displaying the dual live surgery transmission & presentations.

INTERACTIVE SESSIONS:

For the duration of the symposium, we are encouraging as much participation & feedback as possible from your fellow surgeons to really drive each of the topics & debates to the next level.

Throughout Day 1, for the duration of the live surgery cases our Case Co-chair panel members will also have roaming microphones so if the participants have questions they can be heard.

In addition, there will be the following methods to allow the audience to join together in the discussions with the panel:

- **VOTING SYSTEM:**
Each delegate will be provided with an individual voting pad which will be located at your seat in order to respond to questions throughout the symposium.
Please ensure all voting pads are returned at the end of each day
- **INTERACTIVE IPADS:**
Three iPads will be located in the aisles of the Symposium where questions can be entered and submitted to the chair. The Questions are then screened and selected by Dr. Koch & Prof. Pross to present the questions to the rest of the audience.

European Hernia Symposium

25–26 September 2015

BARD

DAVOL INC.

- **EMAIL THE PANEL:**

The option to email your questions throughout the symposium to our Chair is available from your personal email accounts via smart phones to EHSBerlin@crbard.com and which will be processed in the same way to be screened by Dr. Koch & Prof. Pross.

- **QUESTION SLIPS:**

There will also be a paper questions slip available at your seat for which you can populate and submit your questions to one of the floating BARD members or into the ballot box for which will be transmitted to the Chair.

There will be a dedicated BARD Conference complimentary Wi-Fi throughout the Symposium which is accessible with the following code: **BERLINEHS2015**

The Wi-Fi codes will also be on display at the Symposium for your convenience.

Afternoon coffee break & refreshments will be available directly outside the meeting room.

REMINDER: Your room key will be available for collection from the BARD Registration desk from 15:00 onwards.

BARD EXHIBITION BOOTH AREA:

There will be a BARD Exhibition booth area located within the Grand Foyer during the Symposium where it will be possible to speak to a BARD Representative for any queries you may have or inquiries for additional information.

DAVOL CUSTOMER DINNER:

Please refer to the Appendix to confirm your reservation for the Bard Davol Customer Dinner

- Buses will depart the lobby of the hotel commencing at **19:00**
- Registration sign-in will be required upon arrival at Reception
- A welcome drink will be provided upon arrival and all dietary requirements have been accommodated on the information submitted
- DRESS CODE: Business Casual
- Wine, beer, softdrinks & tea/coffee will be served during dinner, any additional spirits/alcoholic drinks will be paid for by the requesting individual.

DEPARTURE:

- Buses will be on standby from 21:30 to return to the Crowne Plaza Berlin City Centre hotel
- **All buses will depart the venue by 22:15**

On returning to the Crowne Plaza City Centre Hotel, the Lobby bar will be open, however all items ordered will be an additional cost and will be charged to the requesting individual.

DAY 2 – SATURDAY 26th SEPTEMBER 2015

BREAKFAST is included in your symposium registration badge and will be served in Wilson's Restaurant located on ground floor from 06:00 to 11:30am.

Tea & coffee will also be available in the Grand Foyer outside the meeting room from 07:30am.

We would ask all Faculty members to be available in the Symposium meeting room by latest 07:45am

The Symposium will commence at **08:00** sharp.

SYMPOSIUM OVERVIEW:

On Day 2, we will introduce the full scale stage in order to facilitate the Pro/con Panel debates.

During the Debates, we would ask that all participating members would be seated on the stage and you will be provided with a wireless microphone.

The Interactive sessions and systems will continue throughout the symposium along with the Exhibition booth area.

The Symposium scientific sessions will close at approx. 14:00

The meeting will close with a buffet lunch in Wilson's restaurant following the end of the scientific sessions.

CHECK-OUT:

Hotel Check-out is 12:00 on Saturday 26th September. Please ensure you have checked-out prior to 12:00. There will be luggage storage available from early Saturday morning.

FEEDBACK FORMS & ATTENDANCE CERTIFICATES:

Within each course book, a feedback form has been provided. Please complete the feedback form to help us improve our Educational & Scientific program, follow-up service & hernia repair products.

Please submit your feedback form at the [BARD Registration desk](#) in order to receive your Attendance Certificate.
